Date of Issue JULY 2016

### WYNN'S MULTI-PURPOSE DEGREASER (AEROSOL)

Product Number: 66911 12 x 641g/840ml

Wynn's Multi-Purpose Degreaser is designed to remove oil and grease from engines, magnesium alloy wheels, boats, trailers, bikes, lawnmowers, garage floors, paths and driveways.

### **BENEFITS**

Wynn's Multi-Purpose Degreaser provides the following benefits:

- Dissolves oil and grease.
- Safe on hands.
- Will not harm varnish, metal or painted surfaces.
- Easily applied.
- Easy and safe to use.
- Spray on, hose off.

### **APPLICATIONS**

To use, shake the aerosol can well and spray onto surface to be cleaned. Leave on surface to give good penetration for about 5-10 minutes and then hose off with strong spray of water. Be careful not to spray or hose electricals – generator, alternator, voltage regulator or distributor. Do not use on bitumen surfaces. Do not spray on hot engines or fittings.

Wynn's Multi-Purpose Degreaser will not harm varnish, metal or painted surfaces.

### **CAUTION**

The aerosol can is pressurised and highly flammable. Do not use whilst motor is running. Do not use near fire or flame. Do not incinerate or puncture the aerosol can, even when empty. The aerosol can should be completely empty before disposal. Recycle aerosol can if facility is available or place used can in with household rubbish.

Keep Wynn's Multi-Purpose Degreaser in a cool place out of the sun. Do not store above 50°C.

### **WARNING**

Keep out of reach of children. Intentional misuse by deliberately concentrating and inhaling contents of aerosol can, can be harmful or fatal. Keep spray from aerosol can away from eyes. If swallowed, seek medical advice. For further information, refer to Material Safety Data Sheet.

## **TYPICAL CHARACTERISTICS**

Appearance	Clear Thin Liquid
Colour	Light Straw Yellow
Density @ 20°C	0.855
Flash Point (°C) PMCC	38°C (Concentrate)
Propellant	Hydrocarbon
