31040 WYNN'S RUST PENETRANT  
Date of Issue JULY 2016

### WYNN'S RUST PENETRANT (AEROSOL)

Product Number: 31040 12 x 400g / 550ml

Wynn's Rust Penetrant is an all-purpose aerosol spray lubricant that is formulated for many professional jobs.

Wynn's Rust Penetrant has a professional strength formula that gives proven results in many industrial and automotive applications.

### **ADVANTAGES**

Wynn's Rust Penetrant is suitable for many automotive components and mechanical parts, particularly those found in workshops.

Wynn's Rust Penetrant quickly frees nuts and parts, frozen by rust or corrosion. It displaces water and starts wet motors. Wynn's Rust Penetrant stops squeaks to give a return to smooth and quiet operations.

Wynn's Rust Penetrant leaves a rust protective film and is ideal for tools, machinery, marine marts, lawnmowers and farm implements.

### **BENEFITS**

The special chemical formula of Wynn's Rust Penetrant provides the following benefits:

- Quickly loosens corroded parts.
- Cleans various surfaces.
- Starts wet motors.
- Lubricates moving parts.
- Stops squeaks.
- Protects from rust and corrosion.
- Repels moisture to help prevent damage.
- Penetrates corrosion to help free rusted part
- Wynn's Rust Penetrant has a Professional strength formula for every professional work area.

## **DIRECTIONS FOR USE**

Spray Wynn's Rust Penetrant on affected part, and allow to soak in for a few minutes, and then loosen. In severe cases, re-application may be necessary. To start wet motors, spray into and around distributor cap, spark plugs, leads and battery terminals. Wynn's Rust Penetrant will not harm varnish, metal or painted surfaces.

## **CAUTION**

The aerosol can is pressurised and highly flammable. Do not use whilst motor is running. Do not use near fire or flame. Do not incinerate or puncture the aerosol can, even when empty. The aerosol can should be completely empty before disposal. Recycle aerosol can if facility is available or place used can in with household rubbish.

Keep Wynn's Rust Penetrant in a cool place out of the sun. Do not store above 50°C.

## **WARNING**

Keep out of reach of children. Intentional misuse by deliberately concentrating and inhaling contents of aerosol can, can be harmful or fatal. Keep spray from aerosol can away from eyes. If swallowed, seek medical advice. For further information, refer to Material Safety Data Sheet.

## **TYPICAL CHARACTERISTICS**

Appearance	Clear Thin Liquid
Colour (Visual)	Light Amber
Density @ 20°C	0.850 (Concentrate)
Flash Point (°C) ASTM D 93	35°C (Concentrate)
Boiling Point (°C)	>150°C (Concentrate)
Volatiles (% Vol)	60%
